Scope of Application	Development, production and sales of standard and custom of measuring resistors all types, resistance thermometers and thermocouples, additional devices for measuring temperature and humidity as well as the production of turned and milled parts and technical electric heaters.	
Applied standards (see EN ISO 3834-5)	ISO 9606-1, ISO 14731 ISO 9712 ISO 15609-1, ISO 15607, ISO 15614-1 ISO 13916, ISO/TR 17671-2, ISO/TR 17844 ISO 10863, ISO 13588, ISO 17635, ISO 17636-1, ISO 17636-2, ISO 17637, ISO 17638, ISO 17639, ISO 17640, ISO 22825 ISO 17662	
Dimensions of components	wall thickness to 6 mm	diameter > 6 mm
Welding supervisor	Mr. Konrad Kunze, Level B	
Welding process(-s) acc.to EN ISO 4063 141	Base material group(-s) acc. to CEN ISO/TR 15608 8.1	

This certificate does not replace verifications required in legal areas.

The certificate holder must inform the certification body of any changes to the content of this certificate annex or the following certification conditions:

- changes in scope and/or design of manufactured products;
- changes in application or in the range of welding processes used;
- changes in the welded material qualities or noticeable increases in existing material thicknesses;
- changes in welding coordinators or their authority;
- changes in the organization and its management to control the welding activities;
- performance in terms of meeting delivery dates;
- performance related to the extent and nature of the non-conformance;
- changes in regulatory requirements.
